## ANNEX I – INSURANCE

The L.L.C. has comprehensive insurance cover for its members. It additionally adheres to the group insurance scheme for individual accidents, as well as a civil liability, as provided by the Ministry of Sport of the Grand-Duchy of Luxembourg.

Pursuant to the grand-ducal regulation of 23 December 2016 concerning the mandatory medical examination for licensed members of authorized sports federation (the "**Grand-Ducal Regulation**"), any athlete is subject to a periodical medial examination (the "**Medico-Sportif**"). The Medico-Sportif is mandatory for all athletes that intend to obtain a license, which will be issued by the Luxembourg Lacrosse Federation a.s.b.l. (the "**License**"), and is required to competitively participate in any sporting activity.

Failure to obtain the License results in the absence of insurance coverage during all competitive activities of the LLC, such as game days and tournaments. LLC, or Luxembourg Lacrosse Federation a.s.b.l. cannot be held liable for failure to obtain the License.

Due to the inherent risk of injury, any member of the LLC is further encouraged to obtain additional insurance coverage that will cover additional risks on top of those covered by the above-mentioned group insurance policies.
